## Marriage Moments And Parenting Pointers From Susan Vogt

Life is heavy; sometimes too heavy. Just for fun, pick a day this week to walk in each other's shoes. (Do each other's chores, maybe even dress or talk like your beloved. Have fun!

As the weather becomes colder in the northern hemisphere (or warmer in the southern hemisphere) we often change our clothes and homes to adjust to different levels of heat. As your family members what they like most and least about *this* season

## Many More Thanks!!!

This week we want to thank a special group of volunteers who take time out of their weekends to be hosts and assist in the many weddings held at the parish. *“Through or common Marianist vocation we feel called to contribute to this kind of development of the ‘Marian face’ of the Church, more fraternal than hierarchical, based on the common dignity which derives for baptism, sensitive like Mary to the needs of the world and, with Mary, unconditionally open through faith to what the Lord tells us.”*
